

## **XK X520 6CH 3D/6G LED Light RC Airplane Drone Vertical Takeoff Land Delta Wing**

### **Features:**

1307 double brushless motor, **super powerful** high-precision digital servo, quick response and fast locking.

The aircraft adopts 6-

axis gyroscope with air pressure and high altitude, 3D/6G mode conversion, suitable for different scenes of flight, more suitable for beginners to advance practice flight.

The aircraft can take off and land vertically, vertical landing, air mode conversion, and also has a combination of beginner mode and aerobatic mode, effectively solve the problem of small flight sites, unable to take off, and beginners do not master the essentials of aircraft take-

off, can not take off smoothly, etc. .The aircraft has multiple flight modes: indoor vertical fixed flight mode, outdoor

6G leveling mode, outdoor stunt mode, aircraft enters 3D effect mode

LED Light enables you to flight at night.

### **Description:**

1.This is RC airplane with 6CH 2.4GHz transmission signal.

2.Its made of premium durable EPP which make it light.

3.With high torque and powerful motor, it would bring you a wonderful experience.

### **Specifications:**

Brand Name: XK

Item Name: X520

Remote Mode: 2.4G Mode 2 / Mode 1 switchable

Material: **EPP**

Wingspan: 520mm

Wing Motors: **2 \* 1307 Brushless motor**

Servo: 2 \* 4.3g digital servos

Battery: 2S 20C 950mAh Li-po battery

Flight Time: **10-12mins**

Charging Time: about 50-60mins

Battery for Transmitter: 6 \* AA (not included)

Control Range: **about 150m**

Size:

415\*520\*105mm (Included wing tail,not including the landing gear .)

Weight:193g

### **Package information:**

Package size:470x120x470mm/18.8x4.8x18.8in

Package weight:1466g/51.31oz

Gift box package

### **Package Included:**

- 1 \* Airplane
- 1 \* Remote Controller
- 1 \* LiPo Battery
- 1 \* Charger Set
- 2 \* Spare Propeller
- 1 \* LED Light Strip
- 1 \* Screwdriver
- 2 \* Vertical Tail
- 2 \* Landing Gear
- 1 \* English Manual

### **Notice:**

Carefully read the instruction before any use, if you are a beginner, it's advisable to be assisted by an experienced adult.

**Powerful 1307 brushless motor**

**High quality advanced 2.4G remote**
