Specifications:

Model: R2 CADY WIDA RC robot
Color: Blue / Pink optional
Function: Slide Forward/Backward, Walk Forward/Backward, Turn Left/Turn Right, Gesture Sensor, Dance and Sing, Patrol and Obstacle Avoidance, Intelligent Programming, Auto Display, Mechanical Language, Volume
Product size: About 26.5 * 16 * 9cm
Body battery: 3.7V 600mAh lithium battery (included)
Charging time: About 120 minutes
Working time: About 60 minutes
Remote controller battery: 2 * AA battery (not included)
Age level: Above 3 years old
Product weight: About 348g

Package Information:
Package size: 29.5 * 17.8 * 11.5cm / 11.6 * 7.0 * 4.5in
Package weight: 621 / 1.37lb

Package List:
1 * Robot
1 * Remote Controller
1 * USB Charging Cable

1 * Manual

Charging Cable *1

Remote Control *1
（Batteries not Included）

User Manual *1

Robot*1 （Battery Included）

INTELLECTUAL PROGRAMMING

The robot can be programmed to carry out
movements as you create.

e.g.

Walk Forward

+

Slide to Turn Right

+

Display
